For times of the next departures from a particular stop you can use **traveline-txt** - by sending the SMS code to **84268**. Add the service number after the code if you just want a specific service - eg: **buctdgt 60**. The return message from **traveline-txt** will show the next three departures, and it currently costs 25p plus any message sending charge. Departure times will be real-time predictions where available, or scheduled departure times if not.

You can also get the same information by using the SMS code at [www.nextbuses.mobi](http://www.nextbuses.mobi) (only normal browsing charges apply) or through several iPhone or Android apps that offer access to **NextBuses**.

**NOTE: SMS codes are different in each direction. Make sure you choose the right direction from these lists.**
